Energy

A&B Education

Education Oversight

Governor Stitt,

Please accept this letter as my irrevocable resignation as State Representative for House District 77, effective October 1, 2026. Additionally, this is an irrevocable affidavit certifying my intention to not serve as a state representative for the 61st Legislature, assuring you that I will not accept the position should I receive a majority of the votes cast in the June 16 Primary Election, and asking you to call a special election to allow the district to select their choice of who should represent them if my resignation be necessary.

Sincerely,

A handwritten signature in cursive script that reads "John Waldron".

John Waldron

Representative, House District 77
